

What A Bright Idea !!

What A Bright Idea !!

About Us

True Light, with over seven years of rich experience in architectural light manufacturing, is a leading name in the industry. Our extensive range of architectural lighting solutions stands as a testament to our commitment to quality, design, and craftsmanship.

Our Expertise

We are dedicated to crafting products that meet the unique needs of architects and interior designers. Our in-house Research and Development, manufacturing, testing, and design teams collaborate seamlessly to ensure each product not only meets but exceeds industry standards.

Our Reach

True Light's dealer network spans across India, serving clients from various regions. We're also making strides into international markets, illuminating spaces with our innovative lighting solutions.

Discover True Light and experience a world of brilliance through our exceptional architectural lighting products.
